Sub :- Finalization of fee structure of Post Graduate Courses (Medical) for the period of 2012-13, 2013-14 and 2014-15

In accordance with the, the Gujarat act No.3 of 2008 namely "The Gujarat Professional Medical Educational Colleges or Institutions (Regulation of Admission and Fixation of Fees) Act 2007" the Government of Gujarat has constituted the Fee Regulatory Committee for determination of fee structure for Professional Medical Educational Courses in unaided professional educational colleges or institutions vide its notification No.GP-16-MCG-1008-587-J, dated 17-06-2008.

The Committee, at its meeting held on 20th December 2011 decided to invite fee proposals for the years 2012-13 to 2014-15 from all the concerned institutes for validation / determination of the fee structure. The Committee also asked for the audited accounts of the institutes imparting post graduation courses at your campus for the years 2010-11 and actual expenditure for the period of 01-04-2010 to 31-12-2011 along with the projections for the next three years in justification of the fees proposed by the College for the PG Courses.

The same were reviewed and analysed by the Committee to arrive at the cost of education for the past as well as for the review period of 2012-13, 2013-14, 2014-15.

The Committee also called the College authorities to moderate the fees to lessen the burden upon the new batch of students.

Based on the discussion with the college authorities and the revision proposed by them, the Committee finally recommends the College to devise a fee structure providing for differential fee for the degree/ diploma courses, provided the average fee from all the courses and from all the students for all the three years i.e. 2012-13 to 2014-15 as Annexure – III.

The fee structure so determined shall be applicable to a student who is admitted to a professional medical educational institute in that academic year (i.e. 2012-13, 2013-14, 2014-15) and shall not be revised till the completion of his / her professional course in that college or institute. It is clarified that students admitted prior to 31st March 2012 shall continue to pay the same fees as paid during 2011-12 till they complete the course in that institute.

Other conditions to apply :

- The institute will not take fees for the full course at the time of admission. The Fees should be collected per term.
- In view of cost of securing bank guarantee, the College should, as far as possible, refrain from insisting on bank guarantee. The Committee advises that the College should

work out an alternate form of security/guarantee to ensure that no student once admitted, abandons the course half way resulting into loss of opportunity for others. In this background, the college is free to work out an arrangement to ensure that the student leaving the course before completion pays the full amount of the Course for the entire term of two or three years as the case may be.

- The institute will be not take any other fee, deposit, charge or advance in the name of gymkhana, computer centre, internet facility, laboratory, library, sports, recreation, self development etc.
- The institute will be free to fix fees for NRI students up to 15% of the intake capacity subject to intimation of the same to the Fee Committee. The difference of amount of the fees from the NRI category students and Non-NRI category students shall be used by the institute for providing scholarship to the students and / or increasing infrastructure facilities. The institute shall also furnish all the information pertaining to the utilization of excess fees from the NRI category students as per the specified format in the information Memorandum submitted by the institute to the Fee Regulatory Committee.
- Any unaided professional educational college or institution that collects capitation fee or the fees in excess of the fee determined by the committee, shall be liable for action as per subsections (2) (i) and (2) (ii) of section 13 and section 14 of the Act.
