No.JRJS/ 318 /2008.

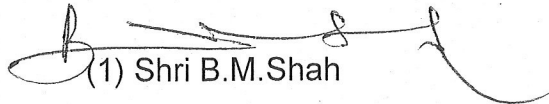

Date : 20-10-2008

In accordance with the orders of Hon'ble High Court of Gujarat dated 05-09-2008 in SCA 8040/2008, representatives of Charutar Arogya Mandal, Karamsad were called for hearing on 03-10-2008.

They were duly heard by the Committee. However, they sought time for submission of requisite details which was duly granted by the Committee. After consideration of their verbal and written submission, the Committee agreed in principle that Charutar Arogya Mandal may fix differential fees for the degree and diploma courses as also for different subjects; major clinical; minor clinical & major para-clinical; minor para-clinical and pre-clinical, subject to the condition that the combined fee collection from all the students remains within the overall cost determined by the Hon'ble Justice R.J.Shah(Retd.) Fee/Admission(Medical) Committee in its previous order dated May 8th 2008 .

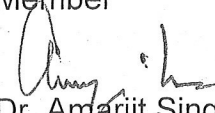

The Committee also decided that at this stage fees should remain uniform for all the three years i.e. 2006-07, 2007-08, 2008-09. The Charutar Arogya Mandal would adjust the advances received from various students towards the fees and refund the excess where applicable immediately.
