Office Order :

You are aware that, the Committee has invited the fee fixation proposal for the years 2018-19,2019-20 and 2020-21 with last date of submission was 13th January 2018. Many of the Institutes have requested for extension of time limit as they have not able to comply with the direction of the Committee due to administrative reasons. After careful consideration, the Committee has decided to extend the last date of submission of fee fixation proposal up to 20th January 2018.

The Committee also decided that if any institute fails to submit the proposal up to 20th January 2018, then the institutes will have to pay the additional processing fees of Rs. 1000/- per course per day as the part of late submission penalty.

Please note that it is mandatory to submit the fee proposal of your institute for the fixation of fee structure for the years 2018-19,2019-20 and 2020-21. No institute is allowed to continue the old fees, without submission of fee proposal file to the Committee and obtaining the new fee fixation order for the years 2018-19,2019-20 and 2020-21.
