No. Fee Proposal/ 33 /2023

Date:- 25 / 07 /2023

**Sub: - Proposal for Fee Structure of Under graduate / Post graduate Professional courses for the year 2022-23 and 2023-24.**

Sir,

As you are all aware, the State Government has passed an Act. No. 3 of 2008 namely “**The Gujarat Professional Medical Education Colleges or Institutions (Regulation of Admission and Fixation of Fees) Act. 2007**” to make inter alia provisions for determination of fees for the programs/ courses offered by the professional medical educational colleges or institutions in the State and for matters connected therewith or incidental thereto.

As per the provisions laid down in the Act, Government has constituted a Fee Regulatory Committee for determination of fee structure for Medical, Dental, Physiotherapy, Homeopathy, Ayurveda, Optometry, Occupational Therapy, Naturopathy, Orthotics, Audiology and Nursing programs in un-aided professional institutions in the State.

The Committee has decided to invite fee proposals from the institutions which are established in the year 2021-22 and 2022-23 (The Committee decided the Adhoc Fee as Deposit for the year 2021-22 and 2022-23) for fixation of fee structure for the years **2021-22, 2022-23 and 2023-24**. You are, therefore, requested to submit your proposal between 16<sup>th</sup> August to 30<sup>th</sup> September 2023 ( between 2:00 P.M. to 5:00 PM only) in two copies in print along with a Soft Copy( C.D.) in the format enclosed herewith duly completed in all respect with all relevant supporting documents. The Fee Proposal shall be submitted in person only, any fee proposal send by the Courier/Speed Post are not accepted by the Committee. The format of Information Memorandum can also be down loaded from the website: [www.frcmedical.org](http://www.frcmedical.org).

Please Note that it is mandatory to submit the fee proposal of your institute for the fixation of fee structure for the years 2021-22, 2022-23 & 2023-24. No institute is allowed to continue with old fees. Submission of fee proposal file to the Committee and taking the new fee fixation order for the years 2021-22, 2022-23 & 2023-24 is compulsory.

Yours faithfully,  
*Rahmets*

  - f. Status of the Institution recognition / approval / accreditation along with a copy of the latest report together with its compliance.
  - g. Copy of latest approval from governing body for approved intake.
  - h. Demand Draft of processing fees in favour of "Fee Regulatory Committee(Medical), Ahmedabad"
3. **All amounts need to be mentioned as Rs in lac up to two decimal points.**
4. Section 11 (1) of the Act provides for the factors to be considered by the Committee in fixation of the fees of each institution. Accordingly, the Committee will take into consideration all these factors in dealing with the fee structure proposed by the concerned college / institution.
5. More particularly, the Committee would like to draw attention of the College / Institution to the treatment of major expenses as under. (Pl. refer the SOP of the Committee in action. The other guidelines and the protocol deemed to be fit by the Committee time to time.)

### **SALARY:**

Salary should include all payments in the forms of remuneration, allowances, perquisites or any other payments by whatever name called, paid or payable only to teaching and non-teaching staff duly appointed as per the applicable norms.

### **FIXED ASSETS & DEPRECIATION:**

Payments made for purchase of fixed assets like Land, Building, Furniture, Equipments, Computers, Vehicles, Heavy Repairs and Renovation are considered as Capital Expenditure and therefore **should not be included in recurring expenses**. The rates of depreciation on the fixed assets on the Straight Line Method (SLM) will be as under:

- Building	5%
- Furniture & Equipments	15%
- Computers	33%
- Books	33%
-- Vehicles & Other	15%

*Depreciation will be allowed even if the assets are owned by the Trust or Governing Body so long as the assets are exclusively used by the institution for the educational purposes.*

**RENT:**

Rent for the building will be considered only if it is paid to outsiders. Any rent paid or payable to the Trust / Society running the institution or any other institution run by the trust will be excluded from cost being a notional cost. Instead depreciation will be allowed on such assets as mentioned above.

**HOSPITAL EXPENSES**

Hospital expenses / net deficit are not to be recovered from the students as part of the fees. In case the services for the hospital are outsourced, the same may be considered as part of the fees if it seems reasonable and justifiable keeping in view the relevance of the services to study course.

However if the Hospital is maintained by the Institution or the Trust and the services and staff is shared between the college and hospital, rationale for allocation of medical care cost for education need to be explained along with appropriate justification based on the guidelines from MCI, DCI or any other concerned regulatory body. Keeping the same in view, the Committee will work out appropriate charge to be recovered from the students towards the cost of teaching hospital.

**HOSTEL EXPENSES:**

Since the Fee Committee has to approve the fees for education only, the expenses incurred and income realized from running and maintenance of the Hostels should not be included in the cost sheet. As such the expenses incurred on Hostel depreciation, Hostel rent, supply of food, water, electricity, telephone, salary, wages, maintenance and the like need not form part of cost sheet.

**INTEREST AND OTHER FINANCE COST:**

Interest paid or payable to any financial institutions, banks or trust governing the institute or any other person/s for the fund borrowed by the institute will not be considered as cost of education. Even 'Notional Interest' for return on investment is to be excluded from the cost components of education cost.

**TRANSFER TO DEVELOPMENT FUND:**

Any sum transferred to Development Fund or any other fund will not be considered as cost. However reasonable surplus for growth and development will be considered by the Committee based on the actual investments made by the concerned institution in last three years.

**GENERAL:**

A self financed institution is expected to separately maintain the books of accounts and prepare the financial statements and cost sheet in respect of each course including post graduate programs. In case this is not done, self financed institution will submit financial statements showing its separate Income and Expenditure and the Balance Sheet for every course for every financial year duly certified by the Chartered Accountant.
